Learn 2 Lead Cumberland

Who are we:

A partnership committee between the Municipality of Cumberland, Town of Amherst & NS Community Health Board to support volunteers and volunteer organizations throughout Cumberland County.

What do we do:

The committee coordinates workshops throughout Cumberland to support individuals and organizations who provide recreation and active living opportunities. The goal is to build their skills and knowledge in order to support the communities where they live, work or play.

Types of Workshops

- Board Governance
- Fundraising
- First Aid
- Hike Leader
- Marketing
- Facilitating
- Self Defence
- Food Handlers
- Babysitting/Home Alone
- Non-violent intervention
- Recruitment
- Safe Talk

New rescue vehicle for Tidnish Bridge Fire Department

The Municipality of Cumberland is continuing to make investments in its fire service.

The Tidnish Bridge Volunteer Fire Department recently took delivery of a 2024 Ford F550, four-door, 4-wheel drive rescue vehicle that will enhance the department's ability to respond to emergency calls in its coverage area along the Northumberland Strait.

Parrsboro is set to receive a new light rescue truck, similar to Tidnish's, in January 2026, Pugwash is scheduled to receive a new pumper truck in the summer of 2026 and Springhill will be receiving a new pumper tanker truck in April 2027.

Parrsboro Water Line Project Underway

Crews from Dexter Construction were busy working on Whitehall Road recently, as part of the Parrsboro Waterline Replacement project.

The Parrsboro water system has more than six kilometres of cast iron water pipes that are more than 100 years old. Replacement of these pipes, well beyond the end of their life cycle, improves the quality of water and reliability of service.

The project involves the replacement of waterlines on Templar Street, Whitehall Road and Atlantic Avenue.
