Quotes addressed to:

Municipality of the County of Cumberland
c/o Kellie Seaman, Procurement Officer
1395 Blair Lake Rd.
Upper Nappan, NS
B4H 3Y4

RFQ-MCC-2001 MAINTENANCE AND REPAIR SELF CONTAINED BREATHING APPARATUS will be received until 2:00 pm on Thursday, July 23, 2020

Quote is to include a bid for the following services within the area specified in the RFQ Document:

Scope of work
The Municipality of the County of Cumberland is looking to receive quotes for the maintenance and repair of approximately one hundred and fifteen, (115) self-contained breathing apparatus. The maintenance will include inspection of each apparatus, flow tests, cylinder visuals and any required hydrostatic testing.

Flow tests, visuals and hydrostatic testing must be quoted individually with travel costs built into the flow test price.

All cylinders that require refilling must be completed either on site or in such a manner where the cylinders are back in service within (2) working days by the bidder at no additional cost. There are breathing air compressors available at some sites.

These inspections, maintenance and repairs will be completed at eighteen (18) different locations throughout Cumberland County.

Successful bidder must supply the certifications/qualifications required to complete the maintenance and repair work on Scott, MSA, Drager and Honeywell titan breathing apparatus and to complete required cylinder visuals and hydrostatic testing. Joint bids or bids on specific brands will be accepted.
All prices for flow tests, cylinder visuals, inspections and hydrostatic testing must be per unit. Prices quoted must not include HST.

2.2 ACCEPTANCE OF QUOTES
Quotes that are unsigned, incomplete, conditional, illegible, unbalanced, obscure, or that contain additions not called for, reservations, erasures, alterations, or irregularities of any kind, may be rejected. Quotes must be made on the Quote Price Form provided. Faxed or emailed quotes will not be accepted.

The Municipality reserves the right to waive any irregularity or insufficiency and accept the Quote which it deems most advantageous.

The Municipality will not be responsible for any liabilities, costs, expenses, loss or damage incurred, sustained or suffered by a Contractor prior to or subsequent to or by reason of the acceptance or the non-acceptance by the Municipality of any Quotes or by reason of any delay in the allowable period of acceptance of a Quote.

2.3 COMPETENCY OF CONTRACTORS
No Quote will be considered from any Contractor unless known to be skilled and regularly engaged in the provision of services similar to those required pursuant to this RFQ. In order to aid the Municipality in determining the qualifications of any Contractor, a Contractor will furnish evidence, satisfactory to the Municipality, of the Contractor's experience and familiarity with work of the character specified. The Municipality reserves the right to reject any Quote if the information acquired by an investigation of the Contractor fails to satisfy the Municipality that the Contractor is properly qualified to carry out the obligations of the contract.

2.4 WORKERS' COMPENSATION

Contractors must participate in the Nova Scotia Workers Compensation program and must submit certification of current good standing from the Workers Compensation Board with their Quote (or proof that same is forthcoming).

2.7 INSURANCE

Without in any way limiting the liability of the Contractor under this Contract, the Contractor shall provide, maintain and pay the premiums for any insurance it is required by law to provide, and the insurance coverages listed below, unless otherwise stipulated in the Contract Documents:

General Commercial Liability Insurance:

General Commercial Liability Insurance shall be in the joint name of the Contractor and the Municipality with limits of not less than five million dollars ($5,000,000.00) inclusive per occurrence for bodily injury, death, and damage to property including loss of use thereof. The insurance coverage and the form of this insurance shall be at least equal to the latest edition of CCDC Form 101 and shall be maintained continuously for the duration of the Contract.

Automobile Liability Insurance:

Automobile Liability Insurance in respect of licensed vehicles shall have limits of not less than one million dollars ($1,000,000.00) inclusive per occurrence for bodily injury, death, and damage to property, in the following forms, endorsed to provide the Municipality with not less than thirty (30) days written notice, in advance, of any cancellation or change or amendment restricting coverage:

a) Standard Non-Owned Automobile Policy including Standard Contractual Liability Endorsement; and

b) Standard Owner's Form Automobile Policy providing Third Party Liability and Accident Benefits Insurance and covering licensed vehicles owned or operated by or on behalf of the Contractor.

The Contractor shall provide the Municipality with proof of insurance prior to commencement of the Work and shall promptly provide the Municipality with a true copy of each insurance policy exclusive of information pertaining to premium or premium bases used by the Insurer to determine the cost of the insurance. The Contractor shall obtain and comply with all the Municipality's and the insurer's requirements.
