RFP-MCC-2203
DESIGN/BUILD OF A NEW PUGWASH LIBRARY

Addendum #2

The following questions have been submitted by an interested party. The response for each question is shown in bold and underlined under each question.

1. Please confirm the square footage required for the collections area.

The floorplan depicted in the concept plan provided in the RFP show the collections area to be 1086SF. This is a concept, however it is expected that each proponent will submit what they determine to be the best design to achieve the goals, objectives and desired outcomes of the project. As stated in our RFP document, "the successful proponent will work with County of Cumberland staff to design and build a Library that will meet the needs of all residents of the Village of Pugwash and surrounding area currently and in the future".

2. Please provide linear footage of shelving required in the collections area.

The concept plan provided does not provide details on the linear footage of the shelving required in the collections area. Once again, as stated in our RFP document, "the successful proponent will work with County of Cumberland staff to design and build a Library that will meet the needs of all residents of the Village of Pugwash and surrounding area currently and in the future".

3. Please confirm email submission **only** will be accepted as the official proposal submission. Reference Item 3. Proposal Submissions "Proposals will be accepted by email addressed to: Kellie Seaman – procurement@cumberlandcounty.ns.ca"

Proposals will be received at our offices at Blair Lake Road, Upper Nappan OR by email prior to Thursday, April 7, 2022 at 2:30 PM local time. Please amend Section 3 to read as follows:
