RFP-MCC-2207
PARRSBORO INCLUSIVE PLAYGROUND AND PARK
PHASE 2: PARK PLANING & DESIGN

Addendum #1

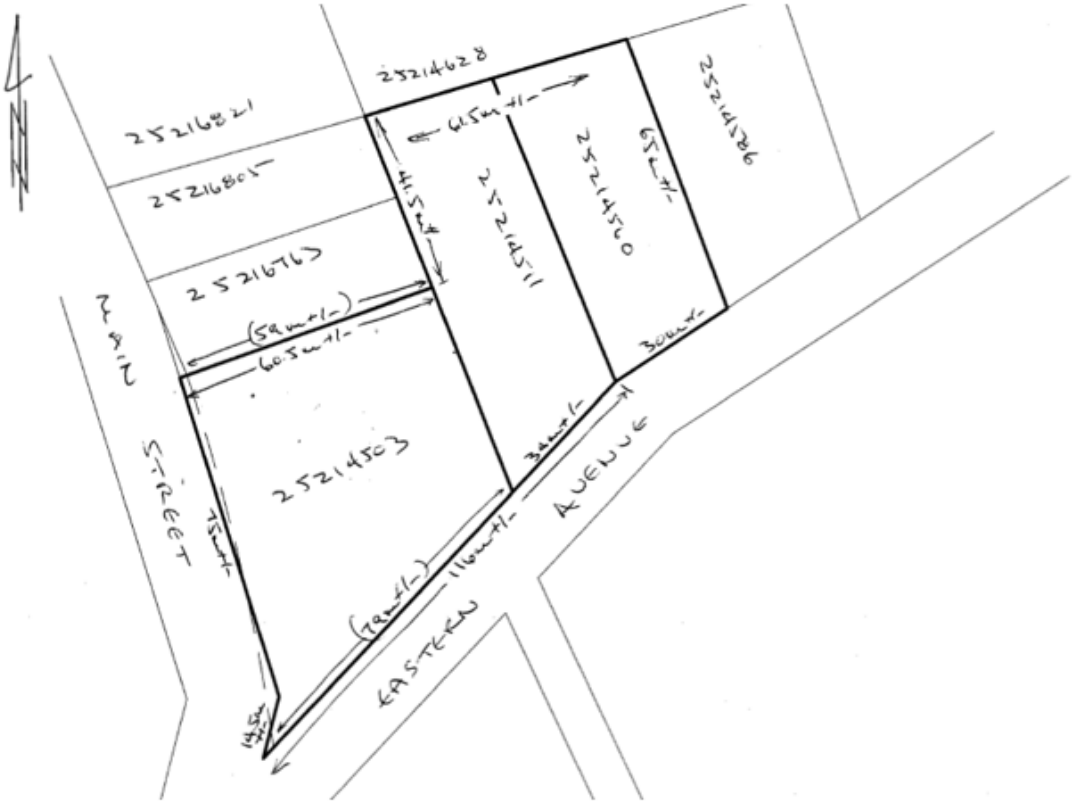

The following are responses to questions that have been submitted regarding RFP-MCC-2207:

1. The $25,000 referred to in clause 4.3 of the RFP is the budget for consultant fees for planning and detailed design work, including any expenses or disbursements.

2. There is no set budget for construction, as the required capacity of some components (in particular the washrooms and gathering facility) has not yet been determined, and it is expected some construction will take place in future years. It is expected the washrooms and gathering facility will eventually each have a construction budget (including donated materials and services) in the $50,000 to $150,000 range.

3. The following sketch shows the location and dimensions of the three parcels referred to in “The Site” section of the Introduction to the RFP:

The following sketch shows the layout of the parcels:
