Position Description

Permitting and Inspection Administrative Assistant (12 Month Term)

Development & Planning Department

Overview

The Development and Planning Department is a fast-paced department that deals with a high volume of enquiries for Development and Building applications. As a front-line customer service position there is a requirement for strong interpersonal and customer service skills; because the Administrative Assistant is often the first point of contact, he/she must work with customers to help the Municipality deliver quality customer service.

The Administrative Assistant is responsible for the day-to-day administrative operations of the Development and Planning Department as well as Fire Protection Services. The incumbent must have a general understanding of building, construction, and land use planning and development bylaws and acts, and must be able to work within tight deadlines that are often mandated by external legislation.

Secondary responsibilities require familiarity with other Municipal departments in order to provide back up and support for other administrative staff in the event of leaves and heavy workload. This position reports to the Director of Development & Planning.

Duties and Responsibilities

1. **The document and data management needs of the Permitting and Inspection and Fire Services team are well met.** The P&I Administrative Assistant achieves this outcome by:

- Providing direction, information and assistance to the general public on Planning and Development matters (i.e. zoning information, building permit applications, subdivision applications, civic addressing etc.), and guides applicants through the process. Distributes related applications for the Department of Transportation and the Department of Environment

- Manages and maintains the Planning and Development Department paper and electronic records filing system

- Provides general administrative support to the Permitting and Inspection and Fire Protection Services Team

- Coordinates and tracks daily building inspection services
- Manages documentation and processes for various planning approvals including: development agreements, subdivision, MPS & LUB amendments and development/building permits
- Prepares and submits monthly reports regarding building permit activity
- Occasional overtime is required in order to attend evening meetings in order to take minutes
- Occasional requirement to fill in for other Administrative Assistants

2. **Permitting and Inspection Receptionist responsibilities are well supported.** The P&I Administrative Assistant achieves this outcome by:

- providing superior customer service in person and on the telephone;
- maintaining a good general knowledge of all the activities of the working group in order to directly answer routine inquiries and accurately redirect the remainder; and
- handling cash accurately and in accordance with established procedures.

Qualifications

Post secondary college or technical training in office administration and three to five years of progressively responsible administrative assistant duties in land use planning or related field.

An equivalent combination of education, experience, and training that demonstrates the knowledge, skills, and abilities to perform the above described duties will be considered.

Terms and Conditions of Employment

The Municipality has an approved salary scale for this position. Placement and incremental increases on this scale are based on qualifications, experience and demonstrated ability to perform the responsibilities of this position.

The Municipality's Personnel Policy should be referred to for additional information regarding conditions of employment.
