RFP-MCC-2302
MUNICIPAL POLICING SERVICES

Addendum #1

To All Bidders of RFP-MCC-2302:

Please note: the following addendum applies to RFP-MCC-2302 and shall be taken into consideration when preparing bid documents.

Question 1: On page 9, section 2.2, there are two identical services: item d) Criminal Identification and item g) Criminal Identification. We want to make sure that this is a duplication and wasn't meant to be two separate services. Also, could you please provide clarification on the definition for "Criminal Identification".

Answer: The two instances of "criminal identification" is a duplication. The second instance should be removed

Question 2: On page 11, section 2.7 i), can you please provide further context for "Description of officer safety standards"?

Answer: The requirement in section 2.7 (i) requires a discussion on the proponent's training, Standard Operating Procedures, organizational safety culture and other factors that serve to address officer safety."

Question 3: In the Request for Proposal for Policing Services for the Municipality of Cumberland, under Section 1, Terms and Conditions, there is no reference that submissions must be sent to the Nova Scotia Department of Justice for approval before submitting to the Municipality of Cumberland prior to May 19, 2023.

Can you please advise that the Nova Scotia Department of Justice does not have to approve the RFP submissions prior to forwarding to the Municipality of Cumberland?

Answer: This will confirm that the RFP issued by the Municipality of Cumberland does not require that RFP submissions be approved by the Nova Scotia Department of Justice prior to being submitted to the Municipality.

Question 4: We are requesting an extension of the submission deadline from May 19, 2023 to June 9, 2023.

Answer: The closing date of May 19th, 2023 shall be changed to June 9, 2023. Closing time of 2:00 pm, local time will remain the same.
