RFP-MCC-2405
Build of a New Fire Station Located in Springhill NS
Addendum #2

To All Bidders of RFP-MCC-2405:

Please note: the following addendum applies to RFP-MCC-2405 and shall be taken into consideration when preparing bid documents.

The following question has been received by an interest party relating to this RFP.

- Just inquiring about the fire station build. I was wondering if you would require a fuel filtration and water drain for the standby generator?

- If the engineers preparing the proposal determine fuel filtration and water drains on the standby generator are required by their design or industry standard they should be included in the proponent's submission.

A signed copy of each Addendum must also be included with the bid submission. Failure to include this Addendum may be cause for rejection. If you have any questions, please contact Shelby Hum at shelbyhum@cumberlandcounty.ns.ca
ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
