Glooscap Campground Electrical Upgrades

MUNICIPALITY OF THE COUNTY OF CUMBERLAND
UPPER NAPPAN SERVICE CENTRE
1395 BLAIR LAKE ROAD
AMHERST N.S B4H 3Y4

CLOSING: August 8, 2024
2:00 PM

1. GENERAL REQUIREMENTS

The Municipality of the County of Cumberland (Municipality) invites Proposals to **install 3 x 30amp pedestals (containing 4 electrical hookups) for RV sites, 7 x 20amp electrical hookups for the tenting area, and install meters on all 37 seasonal sites at the Glooscap Campground located at 1380 Two Islands Road, Parrsboro, Nova Scotia.**

The Glooscap Campground currently does not provide electrical hookups for our tenting area and does not supply direct electrical hookups for 4 seasonal sites, as well as other transient RV sites. Increasing the electrical capacity at the Campground will ensure all seasonals have access to a 30amp hookup and will also be more accommodating for 7 tenting sites and other transient RV sites.

The Municipality also seeks to install meters on all seasonal sites to allow for the Campground to charge the seasonal campers directly for power consumption.

Proof of Licensed Electrician must be provided prior to commencement of work.

A site visit is recommended.

2. SCOPE OF WORK

The goal of the work is to upgrade the electrical capacity for both seasonals and transient campers at the Glooscap Campground. To this end, the Proponent will:

- Deliver and install 3 x 30amp pedestals, each pedestal containing 4 electrical hookups, for RV sites
- Deliver and install 7 x 20amp hookups for tenting area
- Deliver and install meters on all 37 seasonal sites
