T-MCC-2406
Addendum #2

To All Bidders of T-MCC-2406:

Please note: the following addendum applies to T-MCC-2406 and shall be taken into consideration when preparing bid documents.

The below is a clarification to the tender document:

Q: Will the County accept 8" wheels on these carts?

A: No, 10 inch diameter wheels are required.

Q: Are you able to provide the order quantities and frequency of recent orders for these items?

A: The Municipality places an annual order for green carts. Order size will vary depending on demand from residents. The budget for the 2024/25 green cart purchase is $40,000.00, this budget includes shipping and taxes.

Q: Will you please let us know if your lifters are only compatible with Type C containers?

A: The Municipality will accept ANSI Standard Type C, Type B and Type G carts. Final acceptance of the cart is contingent on the provided sample cart testing with lifters currently in service.

Q: Is there a requirement to deliver to individual users, or to a single storage location?

A: All green bins ordered will be shipped to a single storage location, 60 Lisgar St. Springhill, Nova Scotia.

Q: We respectfully request that sample carts be allowed to arrive at a later date due to the tight turnaround from tender release to the due date.

A: The Municipality will accept delivery of the sample carts up to one week after the close of Tender.

Sample carts are due Thursday July 25. All other Tender submission requirements remain unchanged.

A signed copy of each Addendum must also be included with the bid submission. Failure to include this Addendum may be cause for rejection. If you have any questions, please contact Shelby Hum at shelbyhum@cumberlandcounty.ns.ca

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
