RFP-MCC-2423
Addendum #3

To All Bidders of RFP-MCC-2423:

Please note: the following addendum applies to RFP-MCC-2423 and shall be taken into consideration when preparing bid documents.

Are you looking for the development of a curriculum based on the four key areas you've identified?
The scope of work is to construct a development plan only. A plan could include possible sources of future development opportunities that would meet the outcomes of the plan, but there are no requirements to deliver any training at this time.

Are you also expecting teaching and learning materials?
No, we do not require teaching and learning materials.

Is it your feeling that with an accepted development plan in place that there will be a delivery opportunity in the future or with a plan in place would Cumberland County take over responsibility for the execution of all delivery?
Once the plan is in place, we will decide next how to source out training and education opportunities to meet the outcomes of the plan, and I suspect there will be opportunities for external providers to offer services in this regard.

A signed copy of each Addendum must also be included with the bid submission. Failure to include this Addendum may be cause for rejection. If you have any questions, please contact Shelby Hum at shelbyhum@cumberlandcounty.ns.ca

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
