RFP-MCC-2615
Addendum #2

To All Bidders of RFP-MCC-2615 Facilities Security Risk Assessment:

Please note: the following addendum applies to RFP-MCC-2615 and shall be taken into consideration when preparing bid documents.

The following questions have been raised:

Question 1:
Can the consultant propose their own Terms and Conditions? If not, could a sample contract or professional services agreement be provided?
Answer:
If the proponent has a standard contract they wish to use, we can. Otherwise, the conditions are in the RFP, so the awarding of the RFP to the proponent becomes a contract itself.

Question 2:
What is the budget allocated for this project?
Answer:
We do not have a disclosed budget for this.

Question 3:
Has a facilities security risk assessment been completed before?
Answer:
No.

Question 4:
Could addresses for each of the locations listed in Appendix A be provided?
Answer:
Specific addresses will be provided to the winning proponent. For now, the communities where the facilities are listed so estimates for costs associated with the work, such as travel, can be made.

Question 5:
Are the two presentations (one interim and one final) required to be in person or is virtual meeting acceptable?
Answer:
Virtual is fine.

Question 6:
Is there a timeline for when the report and presentations should be completed?
Answer:
The deadline as outlined in the RFP, October 31. It's the proponents' duty to provide suggest timelines for their work within that timeframe.

Question 7:
Could you tell me if the successful proponent of this RFP would be restricted from competing for any future RFP's resulting from the security assessment.
Answer:
No, they would not be restricted.
