To All Bidders of RFP-MCC-2619:

Please note: the following addendum applies to RFP-MCC-2619 and shall be taken into consideration when preparing bid documents.

The following questions have been raised:

A1: The type of foundation will depend upon the type of building construction chosen.

Q2: Based on the current RFP you are only considering two building types: PEB or Engineered Post-Frame Wood. Is it possible to propose a CLT panelized solution for this?
