RFP-MCC-1906
Parrsboro Entrance Sculpture
Received Questions & Responses- November 18, 2019
1 of 1

1. We want to confirm that the RFP is for creative design services only and not the production/installation of the same. Could you please confirm?

    a. The production and installation of the entrance sign is included in the scope of this project.

2. Could you let us know who you would have produce the same and/or if there are partners we need to identify that could produce the same?

    a. The successful proponent will produce and install the entrance signage.

3. In what format would you like the final designs?

    a. We are not being prescriptive in the format for the final design.

4. Would you support our sustainable goals for the year by accepting an e-mail only submission for the proposal?

    a. No, sorry. At this time we cannot accept proposals by e-mail.

5. It states that there is to be a hard and electronic copy supplied, does that mean on a thumb drive or by email? i have done both in the past.?

    a. Please submit your electronic copy on a thumb drive.

6. Will the existing power poles and overhead lines remain?

    a. No power poles/overhead line will be removed.

7. Is the placement for this sculpture to be where the two benches are currently or where the turned post now is?
