HELLO!

Thank you for your interest in an exciting experience with our summer programming stuff this summer. we are confident you and your child(ren) will enjoy yourselves tremendously as you participate in a variety of creative, fun, active and exciting games, songs, sports, art, outdoor challenges, visits from special guests, water play and so much more!

The Municipality of Cumberland Department of Recreation & Community Services is committed to providing a positive, engaging recreation experience for all participants. To achieve this goal, we expect participants to show respect and consideration for staff and fellow participants, be cooperative and engage in activities, respect programming rules, the facility and program equipment.

Our summer staff are carefully selected based on their past experiences, skills, enthusiasm, and ability to work with children and participants of all ages. All our staff must attend mandatory training on topics such as leadership, motivation, teamwork, parents feedback, policies, and procedures, as well as specifics about programming and management expectations. All summer staff are certified in First Aid/CPR, HIGH FIVE principles of Healthy Child Development, NCCP fundamental movements, Food Handlers, Duty to Report, and Autism NS training.

We want you to know that your child is in a caring and safe environment. We ensure the safe supervision of all participants by monitoring and maintaining staff to participate ratios for the appropriate age group and by completing head counts throughout the day, from one transition to the next. We hope you enjoy a wonderful summer with us!
