

Noise By-Law
(Amended May, 2023 via By-Law 23-01 By-Law to Amend the

1. This By-Law is entitled the “Noise By-Law”.
2. In this By-Law:
 - (1) “emergency response personnel” includes police, fire departments or brigades, registered emergency services providers, search and rescue personnel, provincial, regional or municipal Emergency Measures Organizations, ambulance or emergency health services providers and includes volunteer or military personnel responding to an apparent condition of emergency;

 - (3) “Municipality” means the Municipality of the County of Cumberland;
 - (4) “point of reception” means any point on premises containing a dwelling unit where sound, originating from other premises, including other dwelling units, is received; and
 - (5) “public address system” means any system comprised of one or more of the following and in any combination: loudspeaker, amplifier, microphone, turntable, reproducer, receiver or tuner, where such equipment is part of a system used to reproduce or amplify sound.

10. Applications for an exemption for an activity of less than 48 hours duration may be approved by the Municipality's Chief Administrative Officer on behalf of the Municipality following the same conditions and considerations set out in the preceding sections.
