

## About Us

Each summer the Municipality of the County of Cumberland hires summer staff to coordinate and lead summer programs throughout the county. This summer, Springhill will have 10 summer employees working to provide exciting and fun programs to our community. Keeping within Nova Scotia's Covid-19 guidelines for Day Camps, we will be able to accommodate 39 children.

Each staff member must submit a clear Child Abuse Registry and Vulnerable Sector check. Staff will all be trained in Emergency First Aid and CPR, Safer Spaces, Inclusive Recreation, Fundamental Movement Skills, Active Start for Soccer, and Child Protection.

We will be using KidCheck as the Check-In system this year for all weekly summer programs. Please see the registration form which will outline what KidCheck is, why we are using it, and how you can set up your account.
