SECTION ONE: General Information

Introduction

Throughout the COVID-19 pandemic, the health and safety of our staff and the residents of the Municipality of the County of Cumberland has been our number one priority. As provincial guidelines and advice from public health change, so will our directions. Please note that this is a dynamic plan and will be examined and adjusted regularly.

This document is an operational plan specifically for the Dr. Carson & Marion Murray Community Centre and it will be implemented in a phased approach. Implementing a phased approach to the re-opening of the facility, can help mitigate and reduce the risk of COVID-19 and ensure we are providing a safe and enjoyable atmosphere for all patrons and employees.

Physical Distancing & Signage

Throughout the facility, patrons will see bright visual floor markings (2meters / 6 feet apart) to encourage physical distancing and directional arrows to identify the flow of traffic. Doors in the facility will be marked to identify points of entry and exit.

Plexiglass barriers have been installed at the Springhill Service Centre and the Community Centre Service Windows to protect employees and customers where physical distancing may be difficult.

We ask patrons to respect and follow floor markers when making payments, waiting for an appointment, or proceeding to your activity.

Hygiene

Our goal is to protect against the spread of COVID-19 by promoting and enabling frequent and proper handwashing, as well as respiratory etiquette for patrons and employees.

The following hygiene practices will be put in place for the Dr. Carson & Marion Murray Community Centre.

- Repeated signage will be placed around the facility encouraging proper hand and respiratory hygiene.
- Each patron entering the facility will be encouraged to use hand sanitizer that is placed throughout the building.
- Washrooms in the lobby will be accessible, with a capacity of 1 user at a time.

SECTION ONE: General Information

Mandatory Masks

On July 24th, the Government of Nova Scotia announced that masks are mandatory in most public places starting July 31st, 2020. The Municipality will require all patrons to wear a non-medical mask upon entering the Dr. Carson & Marion Murray Community Centre until exiting the facility following.

There are exceptions to wearing a mask in the facility. Masks do not have to be worn while participating in sport or physical activities. Once patrons are finished their activity, they must put their mask back on. Children under two and children age two to four when their caregiver cannot get them to wear a mask are exempt. People with valid medical reasons for not wearing a mask are exempt.

If patrons arrive at the facility during office hours (8:30am-4:30pm), without a mask one will be provided by the Administrative Assistant at the front counter. If patrons arrive at the facility after office hours, maintenance staff will provide one. If patrons refuse to wear a mask, they will be asked to leave the facility immediately. If the situation escalates the RCMP will be called.

Hours of Operation

Hours of operation for the Dr. Carson & Marion Murray Community Centre will be continually adjusted to ensure we are providing a safe environment for all users and to reduce the risk of COVID-19. Hours of operation for the CIBC Room and Walking Track are to be announced. Users will be notified of changes via municipal website, social media, and on our monthly events calendar. Booking times may vary to ensure maintenance staff have the proper amount of time to clean and disinfect spaces before and after each use.

Community Centre Service Window: Facility Bookings and Other Community Centre Inquires

- Monday – Friday 8:30am-4:30pm
- Located in the Main Lobby of the Community Centre

Service Centre Window: Tax and Water Payment

- Tuesday and Thursday 10:00am-12:00pm & 1:00pm-3:00pm
- Located near the CIBC Room

Richard Calder Arena

- 8:30am-8:30pm (Will be adjusted as circumstances change)
- Updates will be available on our municipal website and social media pages.

Ross Anderson PharmaChoice Teen Centre

- Monday, Wednesday, and Friday 5:00pm-8:30pm

SECTION ONE: General Information

Booking Process

We will be implementing contact tracing for all patrons entering the facility. Users will be required to do the following:

Sport Groups

Includes but is not limited to: Minor Hockey, Jr. B Blues, Adult Hockey Groups, Pickleball, Yoga, Aerobics, and YMCA Fitness Classes

1. Must submit a “Return to Play” plan and/or, a “COVID-19 Operational Plan” to the Administrative Assistant via email mherrett@cumberlandcounty.ns.ca prior to booking.
2. Pre book their time.
3. Provide a participant list.
 - We ask groups to designate one individual to complete the check-in process and provide a participant list for the entire group.

All Other User Groups

Includes but is not limited to: Conferences, Meetings, Small Events and Weddings

1. Pre-book their time.
2. Provide a participant list to the Administrative Assistant via email mherrett@cumberlandcounty.ns.ca.
 - We ask groups to designate one individual to complete the check-in process and provide a participant list for the entire group.

All patrons are encouraged to bring any materials/ equipment while in the facility and remove them once they leave. Should you require any additional materials (projector, laptop etc.), please inform staff of the request during the booking process. Loitering in common areas/lobby is prohibited before and after rentals. Users will be allotted 15 minutes to exit the facility following the booking.

All user groups are encouraged to review the Dr. Carson & Marion Murray Community Centre COVID-19 Operational Plan, which can be found on the municipal website, prior to arrival. The Operational Plan outlines proper COVID-19 requirements and procedures to ensure groups are aware of pertinent facility operations and booking information.

SECTION ONE: General Information

Room Capacity and Set Up Options

Room capacity and set up options for bookings will vary depending on what phase we are currently in and on direction from the Province of Nova Scotia. Upon booking, user groups will be provided with room capacity numbers and setup options.

Catering / Kitchen Access

We will not be offering in house catering service throughout the phased approach. If user groups would like catering, we can provide a list of local business that offer such services. External catering services will be required to submit a COVID-19 plan prior to offering their services to user groups in the facility. All plans can be submitted to the Administrative Assistant via email mherrett@cumberlandcounty.ns.ca.

Bar

The bar will remain closed until further notice.

SECTION ONE: General Information

Cleaning and Disinfecting Practices

Strict cleaning and disinfecting practices will be implemented to ensure we are providing a safe environment for patrons and employees. Maintenance staff at the facility will be implementing a rigorous cleaning and disinfecting protocol in addition to existing procedures.

Please note: The Community Centre will be sprayed and disinfected each evening after operating hours.

COMMUNITY CENTRE

Dressing Room Bathrooms	After each rental		Electrostatic Sprayer	Maintenance
Arena Seats	After each rental		Electrostatic Sprayer	Maintenance
Handrails in arena	After each rental		Electrostatic Sprayer	Maintenance

SECTION TWO: Facility Re-Open Phases

The following is a phased approach for re-opening the Dr. Carson & Marion Murry Community Centre. All three re-open phases will be based on the Province of Nova Scotia's COVID-19 guidelines to re-opening. Applying a phased approach will ensure the Municipality is providing a safe environment with high quality service to all patrons and employees. Patron and employees will need time to adjust to the additional procedures that will be required upon reopening the facility.

All rooms will be adjusted to accommodate physical distancing and to encourage proper hygiene practices. All sport groups will be required to submit a "Return to Play" plan and/or a "COVID-19 Operational Plan" to the Administrative Assistant, mherrett@cumberlandcounty.ns.ca, prior to their booking. Hours of operation, procedures, and services are subject to change.

PHASE 1 RE-OPEN

Early September

- Track will be one directional

Canteen, Bar, & Catering Service

- Will remained closed

SECTION THREE: Ross Anderson PharmaChoice Teen Centre

The Municipality is committed to creating a safe, healthy, and fun environment for all youth. Necessary adjustments in the Teen Centre have been made to help reduce and limit the risk of exposure to COVID-19. The procedures for re-opening the Teen Centre will be dynamic and adjusted as directed by the Province of Nova Scotia. The following procedures will be put in place for the reopening of the Teen Centre. This plan applies to all youth, staff, parents/guardians, and volunteers.

Hours of Operation

To ensure we are meeting the directives and additional precautionary measures set out by the Nova Scotia Government, we will be operating at reduced hours to achieve these measures and allow for proper cleaning and disinfecting.

Teen Centre Operating Hours

- Monday, Wednesday, and Friday 5:00pm-8:30pm

Room Capacity

The Teen Centre capacity is 10 users (includes youth and employees) at any given time. Youth are encouraged to come with a consistent group.

Signage & Hygiene

Education and increasing awareness are essential to supporting all users of the Teen Centre. It is our goal to educate youth on proper hygiene practices to avoid the risk of exposure to COVID-19.

Additional signage and hand sanitizer will be placed throughout the Teen Centre to ensure physical distancing and hygiene practices are in place. Teen Centre Coordinators will go through the proper hygiene process with each youth as they enter the facility.

Mandatory Masks

All youth and staff will be required to wear a mask at all times while in the facility. If a youth does not have access to a mask, they will be provided.

Physical Distancing

While in the Teen Centre, youth will be encouraged to practice physical distancing and keep more than 2 meters (6 feet) apart from others.

Food Pantry

Food security is an essential and critical service provided to our youth. The food pantry will continue to operate.

SECTION THREE: Ross Anderson PharmaChoice Teen Centre

Materials and Activities in the Teen Centre

Youth will be asked to request use of materials and games prior to each use. After each use, materials and games will be sanitized.

Signing in and out of the Teen Centre

The Municipality of the County of Cumberland is dedicated to providing a safe and secure environment all children and youth. That is why we have chosen **KidCheck** as our youth check-in solution. This will ensure we are providing youth and guardians with the best check-in experience when arriving to the Teen Centre. All youth will be required to check-in and out of the Teen Centre using KidCheck. To learn more about KidCheck visit <https://go.kidcheck.com>.

It is required that all youth create a KidCheck account. Teen Centre Coordinators will be here to support youth in creating a KidCheck account

Youth will be able to set up their own accounts with the Teen Centre Coordinators. Upon setting up a **KidCheck** account, each youth will be assigned a barcoded ID card that will be used to sign-in and out of the Teen Centre. Guardians are encouraged to set up their child's account should they choose to do so.

What is KidCheck?

KidCheck is a free, secure youth & child check-in system that will allow us to control room capacity, ensure we are providing a safe environment, and increase communication with youth and guardians.

Secure Information

- Only designated staff will have access to your child's information.
- KidCheck uses the same secure data technology as banks to keep your information safe.
- KidCheck never asks for personal identification such as Social Insurance Numbers, credit cards, or banking information, and we never sell the information we do gather.

Convenient

- Will allow for a touchless check-in experience.
- KidCheck is web-based, so you can create an access your account from anywhere.

SECTION FOUR: Richard Calder Arena

As provincial guidelines and advice from public health change, so will our directions. Please note that the procedures below are dynamic and will be examined and adjusted regularly.

The following procedures will be put in place for the Richard Calder Arena upon re-opening.

- Each individual sport group must submit a “Return to Play Plan” and/or a “COVID-19 Operational Plan” to Administrative Assistant prior to starting their season.
mherrett@cumberlandcounty.ns.ca
- Plans must follow guidelines set out by each provincial sport organization.
- Upon approval, groups will receive notification via email, by the Administrative Assistant, indicating they may proceed with their “Return to Play” plan.
- All hockey groups associated with Hockey Nova Scotia (HNS) must designate at least one “safety representative”. The role of the safety representative is to pre-screen all participants, coaches, volunteers, parents/and guardians prior to entering the facility with additional responsibilities as directed by Hockey Nova Scotia.
- All designated safety representative’s will be asked to provide a participant list to the Administrative Assistant upon arrival to the facility.

The following user groups will be required to adhere the Hockey Nova Scotia “Rebound Plan” and confirm that they have read, understand, and will apply procedures set out by the current HNS plan.

- Cumberland County Minor Hockey
- Cumberland Jr.B Blues Hockey
- Pick-Up Hockey, Cross Border Women’s Hockey, Nova Scotia Community College Hockey, and all adult recreation hockey groups
- Private Camps and non-hockey association power skating programs

SECTION FOUR: Richard Calder Arena

Facility and Environment

- Doors will be marked to identify points of entry and exit.
- All user groups will have 15 minutes before and after each booking to prepare for their activity and exit the building following their activity.
- Upon entering the facility, user groups will see bright visual floor markers, signs, and directional arrows to direct the flow of traffic, encourage proper hygiene practices, and facility rules/procedures.
- Hand sanitizing stations will be set up within the arena to encourage proper hygiene.
- Maintenance staff will be implementing a rigorous cleaning and disinfecting program to ensure we are providing a safe environment and reduce the risk of COVID-19.
- The main lobby of the Community Centre will only be used as a point of entry, and loitering will not be permitted.
 - Teams will be asked to exit the facility using the Lions Park side door of the arena, in a staggered approach to allow for physical distancing to occur.
- Arrive at the facility at the designated time for hockey-related activity. Do not arrive earlier.
- Participants are strongly encouraged to come to the facility dressed in most of their equipment and ready for their activity.
- User groups will be directed by arrows to enter and exit the ice surface.
- User groups are asked to leave the facility immediately following their activity.
- Participants are strongly encouraged to fill water bottles prior to entering the facility.
- Users are not permitted to bring outside food into the facility.
- Users should encourage their participants to bring their own hand sanitizers.
- Indoor warm-up will not be permitted.

Screening

- It is the responsibility of user groups to pre-screen prior to arriving at the facility.
- Upon entering the facility users will not be screened for COVID-19.

SECTION FOUR: Richard Calder Arena

Operational Hours

- 8:30am-8:30pm (Will be adjusted as circumstances change)
- Updates will be available on our social media pages and municipal website

Arena Capacity

- The arena capacity is 50 people. This includes players, parents/guardians/coaches, and volunteers.
- We recommend only one parent/guardian to accompany a player to a hockey-related activity.
- We strongly encourage parents/guardians of players at levels U13 and above, to not enter the facility.
- Upon entering the facility, parents or guardians must go directly to the seating area.
- Arena seating will be reduced to minimize touch points and adhere to physical distancing guidelines.
- Spectators will be asked to stay in their seating and not move throughout the facility.

Dressing Rooms

- Dressing rooms will not be available for use.
- A staging area will be set up in the arena halls for users to complete putting their equipment on.
- 1 bathroom will be available in dressing room #4.
- Showers will not be available.
- Loitering in the lobby will not be permitted.
- User groups are not permitted to store equipment on premise.
